

Gaining Vision the Robotic Way: South by Southwest Interactive

Bill Bluethmann, PhD

NASA

Is the automotive industry at a tipping point?

Electrification

Sensing

Adaptive cruise control

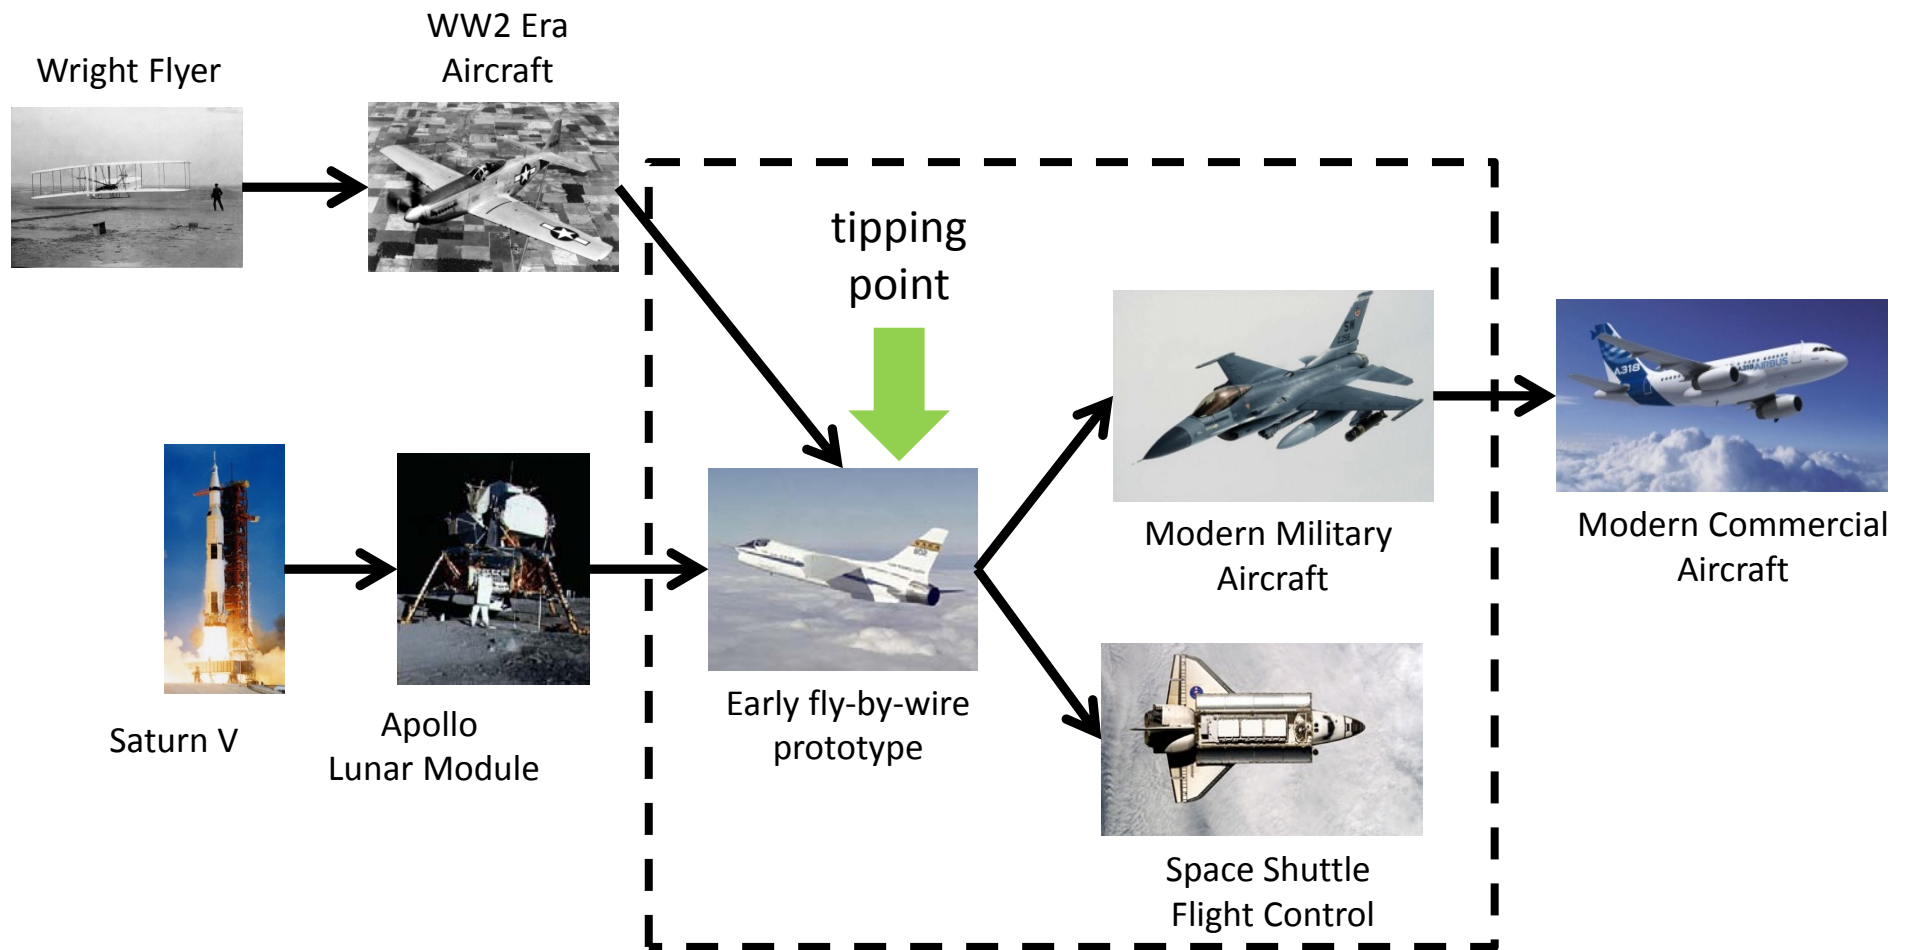

GPS

Vehicle-to-Vehicle communications

Self parking

Self driving

A History Lesson in Fly-by-wire

A History Lesson in Fly-by-wire

Early fly-by-wire
prototype

Modern Military
Aircraft

Space Shuttle
Flight Control

A parallel in automotive?

tipping
point

Aerospace by-wire
contributions??

Recent NASA built drive-by-wire prototype
